

PREFACE

The mission of Covenant Christian High School can be summed up by saying that the school exists to assist parents in rearing covenant young people and fitting them for useful and fruitful covenant living. All of life begins and ends in God and covenant living involves loving and serving the God of our salvation in our study, our work, and our play. Students at Covenant Christian High School are called to seek the glory of God by growing in knowledge of Him and by living lives of obedience to His commands.

The administrator, faculty and Board continually review the Parent/Student Handbook to address areas of concern and formulate changes that would help parents, students, and teachers to achieve their goals. As needed, changes are made to stay in step with current concerns. Nothing has been placed in this handbook without having been considered and approved by the Board of Trustees. Therefore, parents, through their elected representatives exercise a most important role in developing rules for the school.

The rules that guide student behavior and life at school were made in the interest of maintaining an orderly environment and a Christian atmosphere in the school. School personnel will do their best to apply the rules fairly and consistently. We are all called to remember the words of Ephesians 5:20, "Submit yourselves one to another in the fear of God." and I Peter 2:13a, "Submit yourselves to every ordinance of man for the Lord's sake."

The pursuit of these goals must be the cooperative effort of students, teachers, administrators, parents, and the community of believers. We believe that an effort to work together in these areas will help us to provide a proper environment for every one of us to be able to accomplish our goals. We expect that both students and parents will read the handbook and keep it for a reference. We believe that diligent and prayerful efforts will be met with the blessing of God.

It is our fervent prayer that our covenant God will continue to guide us and prosper us in this work of Christian education.

Mr. Rick Noorman
Administrator

GENERAL SCHOOL POLICIES

I. ATTENDANCE

Regular attendance is essential for learning, which is the primary purpose of our school. The Bible teaches us that stewardship of time and resources, diligence, and faithfulness to the work of seeking to know our Covenant God are important concepts in the life of the Christian.

Absences of students from regular classroom learning experiences disrupt the continuity of the instructional process both for the student and the teacher. The regular contact of the students with one another and their participation in the instructional activities planned by the teacher are vital to achieving the mission of the school. We cannot teach students who are not present.

Good high school attendance also helps to prepare the teenager for the attendance requirements in adulthood. Lifelong patterns of responsibility and the self-discipline of regular attendance and promptness are fostered by the attention given them during the years of school attendance.

It is recognized that absence from school may be necessary under certain circumstances. We respectfully request the assistance of parents to instill a sense of obligation and responsibility in our students and your children.

A. ABSENCES are categorized as follows:

1. Excused
 - a. Illness, emergencies, and appointments that cannot be scheduled on non-school time
 1. Parent or guardian should call the school office to report the absence prior to 9:00 a.m.
 2. For these absences teachers will provide instruction missed as students initiate contact. Deadlines for make-up work will be determined on an individual basis.
 - b. Parent Requested Planned Absence: Occasionally parents may decide that certain experiences or family needs may warrant a student's absence. Such absences are limited to a maximum of five days per school year and may not be taken in the last five days of class for the semester. During a planned absence the student must be accompanied by the parent, guardian, or other adult appointed by the parent. The following procedures will apply:
 1. Parents must make the request to the office at least 2 days prior to the absence. The request is then approved by the administrator. The administrator reserves the right to withhold permission for any requested absence based on the student's prior attendance record and academic performance.
 2. The planned absence form will then be given to the student which must be signed by each of his/her teachers. This will allow the teacher and student to make arrangements for making up the work that will be missed and to provide the necessary materials. It is possible that some assignments or labs, because of the nature of them, cannot be made up. It will be up to the teacher to decide how to handle these. It may involve an alternate assignment or a lower grade.
- c. College Visits
 1. All college visits must be approved in advance by a guidance counselor and completed by May 1. A permission slip must be first obtained from and signed by the Guidance Counselor, filled out and signed by a parent. Student will then proceed to obtain the signatures of the teachers of all classes that will be missed due to the college visit. Student must then turn in the form to the school office not less than five days prior to the visit.
 2. No more than eight students will be allowed a college visit on any one day: the first students registered will go. Students are encouraged to make use of

- scheduled off days, such as records day and in-service days, for college visits.
3. Juniors should plan no more than one college visit per school year before May 1.
 4. Seniors should plan no more than two visits per school year before March 1.
 5. Seniors who have not taken the SAT or ACT will be allowed a college visit only with advance approval of the counselor.
 6. Students are required to return a verification form received from the college to the counselor. Failure to keep an appointment or misusing time set aside for a college visit will rule out possible future visits on school time.
2. **Unexcused Absence**
- a. **Parent Requested Unapproved Absence:** Oversleeping, babysitting, working, student pictures, or anything that is not an emergency, illness, or parent accompanied experience. This includes Parent Requested Planned Absences over the five-day limit. Student will be required to make up all work that was missed and make up missed time during “0” hour or 8th hour for each period that was missed. Students who have a planned absence beyond the 5-day limit must make up the time with a “0/8th” hour for each period missed or (1) Saturday school. It is possible that some assignments or labs cannot be made up or duplicated at a later time. It will be up to the teacher to decide how to handle these. It may involve an alternate assignment or a lower grade.
 - b. **Truancy:** Students who willfully skip classes will receive two detentions for each class that will be taken on consecutive days beginning the day of the return to school. All school work missed must be made up. A second offense will result in a Saturday School. A third offense will terminate a student’s enrollment in that class.
 - c. **Suspension:** Students who are suspended will be required to make up all work and tests that are missed due to the suspension. They will also be required to make up time missed at school by attending one Saturday school session for every day of suspension. It is possible that some assignments or labs that are missed cannot be made up. It will be up to the teacher to decide how to handle these. It may involve an alternate assignment or a lower grade.
3. **Total Absences**
- Because the school believes that participation in class is a requirement to achieving credit any student who exceeds 15 absences in one semester will receive no credit for that class. Exceptions may be made by the Education Committee if there is a valid medical reason for the absences.

B. TARDY

Promptness to class, like regular attendance, is important to success. Being prompt also shows respect for the time of the teacher and the other students. Adequate time is given between classes so that all students are able to get to class on time. The opening minutes of a class period are important in setting the tone for the class. When a student is late, classroom devotions may be missed or interrupted, or the student may miss out on important information.

Students arriving at school later than 8:15 a.m. are expected to report to the office. Students more than 10 minutes late will be considered absent and the procedure for absences should be followed.

Each student may receive 4 tardies per semester without penalty. Tardies are not classified as excused or unexcused, simply tardy; therefore parents may call to give the reason for the student being late, but the tardy may still be counted as one of the 4 allowed. After the 4th tardy, a letter will be sent home to inform the parents that the next tardy will result in a detention.

- Tardy #'s 5-7 will result in a detention
- 8 and more will result in Saturday School
- 10-12 in the same class will result in a lockout from the class those days resulting in an unexcused absence. (Student must report to the office)
- 13- Class will be dropped with loss of credit.

II. DETENTION POLICY

1. Detentions must be served during the 8th hour (2:55 p.m. – 3:40 p.m.) of the day that it was assigned to the student or during the “0” hour (7:25 a.m. – 8:10 a.m.) of the day after it was assigned. The teacher or the administrator reserves the right to specify the specific time that it must be served. Parents will be notified of all detentions served.
2. During the detention time students will sit in seats assigned by the teacher and they will not be allowed to talk, sleep or eat. Students are to bring in schoolwork to the detention room. Any student tardy for detention will receive an additional detention period. Any student skipping detention will receive an assignment to Saturday School.

III. SATURDAY SCHOOL

1. The purpose of Saturday School is to help direct our students to meet the standards of responsibility, conduct, and behavior that we expect of them at Covenant Christian High School. Saturday School is meant to be an intermediate step between a one-hour detention and a suspension from class or school altogether. It is a means of discipline that does not deprive the student of academic participation in class. The Saturday School will operate from 8:30 a.m. to 11:30 a.m. when needed. During the session the rules for detention (see above) will apply. Students will be expected to do schoolwork the entire time. Students will receive a 10 minute break midway through the session.
2. Students who report less than 10 minutes late will be admitted but will be required to serve one hour (from 8:30 a.m. to 9:30 a.m.) on a second Saturday. Students who are more than 10 minutes late, do not attend, do not work while in the room, or behave inappropriately will be suspended from class for 3 days.
3. If a student cannot attend Saturday School for an acceptable reason, the parents are to contact the school between 8:15 a.m. – 8:30 a.m. An unexcused absence will result in a 3-day suspension from school. Transportation, employment concerns, and extra-curricular activities are not valid excused for missing Saturday School.

IV. SUSPENSION

1. Suspension from class
A teacher may remove students from a class if their conduct disrupts the learning environment or interferes with the educational process. Students who are requested to leave a class must report to the office. In addition the class time and work must be made up in detention that same day. Failure to make up the time will result in Saturday School.
2. Suspension from school
A student may be removed from the school community in the event of serious violation of school rules. Some violations are laid out in this Handbook. Other serious offenses such as cursing, foul language, disrespect, and defiance of authority, etc., will be dealt with severely and may include suspension even though it may not be mentioned in the Handbook. These suspensions will generally be served outside of school unless the administration determines that it would be better for all parties if it were served at school. Suspensions are considered unexcused absences and the penalty for such is found in A. 2. C. under “Unexcused Absence.”
3. Any student suspended for a second time may be referred to the Education Committee.

V. CONDUCT

A. DRESS

How we dress reveals much about our attitude toward God, ourselves, and others including peers, and those in authority. Because our bodies are temples of the Holy Spirit our dress should reflect that we believe this and want to confess this concerning ourselves. Students should come to school dressed neatly, modestly and appropriately. Student's dress should be consistent with our efforts to establish a wholesome Christ-centered learning environment. Students sent home for dress violations will be required to make up the school time in detention or Saturday School. Following are some specific guidelines to go with the general principles:

1. Work clothes and uniforms worn for work are not permitted.
2. Clothing bearing objectionable messages is not permitted. This includes clothing that advertises, pictures, or promotes alcohol, tobacco, or musical groups. This also includes clothing with sexually suggestive pictures or words.
3. Students may not wear clothing that exposes the trunk part of the body. Example: shirts that leave a bare midriff, chest, sides or back.
4. All shirts must have sleeves.
5. Students may not wear hats in school.
6. Shorts or skirts must be at least mid-thigh. Cutoffs, spandex, and athletic shorts are not appropriate. Leggings and yoga pants are not considered pants and must be covered with an appropriate length top.
7. Clothing with holes or tears will not be permitted.
8. Body piercing jewelry, other than earrings by girls, may not be worn during school hours or at school functions.
9. Tattoo's, inking, or drawings on the body are not allowed

B. USE OF AUTOMOBILES

Driving a car to school may be a necessity for many of our students. It is important that students exercise care and caution in the parking lot as well as on the driveway and area roads. The speed limit in the surrounding neighborhood is 25 mph and 15 mph in the school driveway and parking lot.

1. Parking Sticker: Students who drive to school are required to display our school parking sticker in the rear window of the vehicle. There is no charge for the parking sticker. The sticker will be handed out to the student after he/she turns in the completed parking registration form (forms available in the office). Students who fail to display a sticker will be fined \$5 for each offense. Parking stickers are reissued every year.
2. When students arrive in the morning they must park and lock the car, leave the parking lot, and not return to the car until it is time to leave at the end of the day. Students may not leave the school lot once they arrive in the morning.
3. Students who are speeding, squealing tires, allowing others to ride on the outside of the vehicle (including trucks), or driving carelessly will receive a \$10 fine and notification of parents for the first offense. A second offense will result in a \$20 fine and loss of driving privileges for a period of time.
4. Student playing loud and/or offensive music will be subject to the penalties in #3 above.
5. Vehicles parked on school property are subject to search and inspection in the presence of the student by the authorities of the school or those appointed by school authorities.

C. PARKING LOT

Students are not permitted to enter the parking lot, their car, or any other student's car at any

time during the day without receiving permission from the supervising teacher, principal, or from the office.

D. CLOSED CAMPUS

Covenant Christian High School has a closed campus. This means that a student is not allowed to leave the school grounds without specific permission during the school day. Students may not be excused to leave for lunch unless they are picked up and accompanied by a parent.

E. LEAVING SCHOOL

A student leaving school for an authorized reason must sign out in the office as well as sign in if and when returning to school that day.

F. SCHOOL VISITOR POLICY

Parents, alumni, relatives and friends of our students are all welcome to visit our school. However, to ensure the safety of all of our students, avoid disruptions in instruction, and avoid situations which would not be approved by parents, we require the following procedures to be followed for visits to school:

1. Parents are welcome to visit anytime. Parents should check in at the office to obtain a visitor pass. Advanced notice of the visit is appreciated.
2. Alumni or siblings of students who wish to visit during the lunch period must report to the office upon arrival to school and obtain a visitor pass.
3. Students wishing to bring a visitor to school for a day or any part of a day must:
 - a. Receive approval from the principal or assistant principal prior to the day of the planned visit.
 - b. Permission will only be granted if the principal receives a request from a parent of the host student at least one day in advance of the planned visit.
4. On the day of the visit the host student should:
 - a. Report to the office with the visitor to check in and pick up a visitor pass.
 - b. Inform the visitors prior to the visit that they must comply with all school rules and regulations, including the dress code.
5. The visitor is expected to be with a host student throughout the visit.
6. The principal retains the right to approve, deny, limit, or terminate any visit based on the purpose of the visit, the impact of the visitor presence, the planned activity in the classroom, and the relationship of any visitor to the students.
7. The classroom teachers will be informed of the visit upon approval by the principal and they may request that their class not be visited if they believe that it is detrimental to instruction.

G. SMOKING AND TOBACCO POSSESSION

Students are not allowed to smoke or possess tobacco products or e-cigarette products on the school premises, or at any school function. This includes all extracurricular activities both home and away.

1. The first violation of this rule will result in a one-day suspension from classes with the time to be made up at two consecutive Saturday School sessions.
2. The second violation within the year will be viewed as a form of deliberate insubordination and will result in an indefinite suspension from classes with further disciplinary action determined by the Education Committee.

H. ALCOHOL, DRUGS AND WEAPONS

The use, possession, or distribution of alcohol, intoxicants, drugs, firearms, ammunition, or explosives (including fireworks) on the school premises (including vehicles,

lockers, duffel bags or book bags) or at school functions will result in immediate suspension from school and are grounds for expulsion. Further disciplinary action including expulsion and reporting to authorities will be decided by the Education Committee.

I. ANTI-HARASSMENT POLICY

As it is a guiding principle for God's people that we should "Love our neighbor as ourselves" no type of harassment (physical, verbal, emotional, sexual, etc.) will be allowed in our school whether initiated by student, staff, or volunteers in school, on school property, or at any school function or school-sponsored activity. This type of activity is against state and school policy. Harassment or bullying will not be allowed based on age, color, creed, national origin, race, religion, marital status, gender, sexual orientation, gender identity, physical attributes, physical or mental ability or disability, ancestry, political party preference, political belief, socioeconomic status, or familial status. Although individuals may exhibit differences that result from sin and the effects of sin, harassment and bullying are not the scriptural means of addressing these or other issues and will not be tolerated. Any infraction will be dealt with according to Biblical principles.

Definitions

Harassment and Bullying are defined as any electronic, written, verbal, or physical act or conduct toward a student which is:

1. Based on any actual or perceived trait or characteristic of the student defined above, **and**
2. Creates an objectively hostile school environment that meets one or more of the following conditions: Places the student in reasonable fear of harm to the student's person or property, has a substantially detrimental effect on the student's physical or mental health, or has the effect of substantially interfering with the student's ability to participate or benefit from the services, activities, or privileges provided by a school.

The following activities, without substantial additional aggravating factors, occurring inside or outside the classroom, do not constitute Harassment or Bullying:

1. Instruction and participation in lessons and worship services.
2. Discussions and debate concerning issues important to Christian faith.
3. Electronic, written, verbal, and physical interpretation of Biblical Scripture, and religious texts, music, and opinion.
4. Witnessing and faith-sharing.

Reporting

Suspected incidents of harassment and bullying should be reported to the Administrator within 24 hours. The Administrator is responsible for receiving reports and ensuring the Anti-Harassment Policy is implemented.

Investigation

Suspected incidents of bullying and harassment will be promptly and thoroughly investigated by the Administrator or his/her designee. Investigators will consider the totality of the circumstances presented in determining whether conduct objectively constitutes harassment or bullying under this policy.

Consequences for Violators

Individuals responsible for conduct in violation of this policy will be subject to consequences and remedial action.

Publication

This policy shall be published in the handbook as well as in a letter to the students and parents.

J. LOCKERS AND BACKPACKS

Hallway and locker room lockers are property of Covenant Christian High School. Students using these lockers should expect that authorized school personnel can search these school owned storage areas at any time. No backpacks are allowed in the classrooms or on the hallway floors.

1. Students should exercise caution with leaving valuables in their lockers.
2. If a student wishes to keep his/her hallway or locker room locker locked he/she must use a school issued lock. Other locks will be removed.
3. Students are responsible for keeping their lockers clean. Only appropriate posters and pictures may be displayed in the lockers. Pictures are limited to family and friends of the student. Items may not be attached with tape or paste.

K. PROPERTY AND UNLAWFUL ENTRY

The costs of vandalism and destruction of property are shared by all members of the Society. Parents are financially liable for any damage to school property, furniture, or the personal property of other students and teachers. At 10:00 p.m. the school and premises are considered closed to students unless there is a school sponsored activity.

1. Any student found unlawfully entering the building will be fined a minimum \$250 and suspended indefinitely with further penalties including work requirements or expulsion to be determined by the Education Committee.
2. Anyone determined to be on the school roof, whether during or after school hours, will be fined \$100 and suspended for one day with the time to be made up in two consecutive Saturday School sessions.

L. CHEATING

Cheating is viewed as a violation of the 8th commandment, "Thou shalt not steal." Cheating includes using other students' work or answers on assignments or tests, or any other means that does not clearly reflect the actual knowledge, abilities, or work of the student. The possession of "cheat sheets" whether actually used or not, is interpreted as cheating.

Plagiarism, which is the use of another's words or ideas as your own without giving credit to the source, is considered cheating. Students must be careful to properly reference all written or electronic resources that are used. The teacher will determine the academic consequences for any cheating and will contact the parents. Any second offense will be dealt with severely and may include loss of credit for the course and suspension.

M. MISCONDUCT OUTSIDE OF SCHOOL

The purpose of this policy is to provide a framework for dealing with students who behavior outside of school is either in blatant contradiction of the standards of a Christian life or is deemed to have an adverse impact on others in the school. Examples include things such as: Sexual misconduct, substance abuse, abortion, theft, damage to property of the school or school personnel, repeated harassment, or hosting parties where substances are abused.

In such cases the Education Committee, in consultation with the parents of the student and the administrator will determine an appropriate course of action which may include restitution, probation, suspension, or expulsion. In these situations it is important for the Education Committee, parents, and school personnel to pray and work together to lift up our children in time of great need and call them to task when they stray from God's will in their lives.

N. CHAPEL

Chapel is a time that is set aside weekly for the faculty and students to come together for singing, prayer, and activities that apply God's Word to our lives. Students must sit in their assigned sections and their behavior should be reverent and attentive. Students should bring a Psalter and a KJV Bible with them to chapel.

O. LIBRARY

The library is open for use to students, teachers, parents, and friends of the school. The library will be open during school hours and before or after school if arrangements can be made with the librarian.

1. No books may be taken from the library without being checked out by the librarian or the assistant.
2. Books used in the library should be left on the tables to be re-shelved by the librarian. Books checked out should be returned to the Book Return Box in the library.
3. All books not on the reserve list are loaned for a period of three weeks. Books on the reserve list are loaned for the time specified by the teacher who placed them on reserve.
4. The fine on overdue three-week books is \$.10 per school day. The fine on reserve books is \$.50 per day.
5. No food or drink is allowed in the library at any time.
6. All students will be able to access the Internet using the Library computers. Proper and appropriate use of this resource is expected of all students. Parents who so desire may deny access to the Internet by completing an Opt-out Form available from Mrs. Faber.

P. COMPUTER USE

Use of CCHS computers by students should be considered a privilege. Failure to use them appropriately may result in a loss of this privilege.

1. Keep food, drink, and candy out of the computer lab.
2. The computers may only be used for legitimate school work.
3. Abuse of Computer Room Pass will result in the loss of computer privileges.
4. Network folders are available for personal storage. All other files will be deleted.
5. Logging on to a computer as someone else and/or connecting to (or attempting to connect to) a Network Folder other than your own is not allowed and will be dealt with severely.

- Q. INTERNET USE - All students will be able to access the Internet using school computers. Parents who do not want their child using the Internet may deny them access to the Internet by completing an Opt-Out Form available from Mrs. Faber. Following is the Acceptable Use Policy for all students:

Acceptable Use Policy

The purpose of this policy is to outline the rules for using the Internet at Covenant Christian High School. Because of the unregulated nature of material found on the Internet, the rules of use must be clearly understood by parents and students.

Access to the Internet is a privilege and conduct on the Internet is to reflect our Christian principles and beliefs. It is the student's responsibility to access Internet sites that are directly related to his/her academic studies. Covenant Christian High School's faculty and staff will make every effort to monitor, educate and guide students in the proper use of the Internet in their academic studies, but ultimately it is their responsibility to use the Internet wisely.

Appropriate Use

1. Using the Internet for class-related research.
2. Accessing other libraries on-line.

Inappropriate Use

3. Vending machines for beverages or snacks may be used only during break time and lunch.

S. INSURANCE

T. TEXTBOOK POLICY

The Covenant Christian High School Bookstore is the sole distributor of textbooks used in the school. All textbooks will be supplied to students for an annual rental fee of \$100 per student per year. Students are responsible to care for the books and return them in a condition appropriate for the time of use. Students and parents will be responsible for the cost of books that are lost or damaged. This determination will be made by those in charge of the book system and charges sent to parents.

U. CANCELLATION OF SCHOOL

In the event of bad weather or other emergency, the Administrator may have to cancel school. Notice will be sent out via the RenWeb email system to all parents and announced on various local radio and television stations. Since many of our students drive considerable distance and from many different areas, parents are always free to use their discretion if they feel that their students cannot safely be on the road. In such cases parents should call immediately to inform the school.

V. TORNADO POLICY

1. If a TORNADO WATCH is issued by the National Weather Service prior to the start of school in the morning or prior to the start of an after-school activity, classes or the activity will be canceled.
2. If a WATCH is declared while classes or an activity is in progress, classes or the activity

- a. School officials will monitor the NOAA Weather radio for further information

The consequence for the student will be a detention that will be served on the same day that the phone was used. On the first offense, the phone will be returned at the end of the detention. With the second offense and following offenses, the phone will only be returned to a parent.

 - i. Six (6) semesters of Religion

B. Requirements for Graduation

1. Each student shall be enrolled in at least six courses per semester. This may include choir and band in grades 9-12.
2. All students must earn 44 credits. Special consideration will be given to students who cannot acquire 44 credits.
3. A maximum of 14 credits will be accepted for 9th grade work. One credit will be given for each semester of the following courses properly completed: Bible, English, History, Mathematics, Science, Physical Education (pass/fail) and Fine Arts or Keyboard Skills.
4. Students attending the Career/Tech Centers of Ottawa and Kent School Districts must take a minimum of three courses at Covenant. Career/Tech Courses will be equivalent to 3 credits per semester.
5. In addition to the six courses required each semester students may earn one-third (1/3) or one-half (1/2) credit per semester for service-type activities. These include the following: Library Assistant, P.E. Assistant, Lab Assistant, Teacher Assistant, and Student Tutors. No grade will be given for these services, so they will not affect the Grade Point Average (GPA).
6. Transfer credits are accepted from other institutions. A student who takes outside credit hours must obtain prior approval from the principal if he or she expects to transfer credit to Covenant.
7. A student who transfers to Covenant from another school must earn at least 12 credits at Covenant in order to be eligible for a diploma from Covenant.
8. The senior year must be completed in residence.

C. King James Version of the Bible, The Official Version of the School.

Because the Board believes the King James Version (Authorized Version) of the Bible is the best available English translation, the King James Version shall be used as the Bible for all the official work in the school. (April, 1993)

D. Drop and Add Policy

Courses may be dropped only during the first seven weeks of school. Classes dropped after the seventh week will be recorded as failures. All drop forms must be signed by parent, teacher, and principal. A course dropped during the first two weeks may be replaced by another course, if one is available.

E. Incompletes

A student who receives an "Incomplete" on his report card must take the necessary steps to have that incomplete removed within two weeks of the issuance of the card. If work is still unfinished after that period, the "Incomplete" will become an "E".

F. Grade Point Average

G.P.A. will be calculated on the basis of grades received in all subjects, including those of the ninth grade.

Note: Valedictorian and salutatorian honors will be determined on the basis of the G.P.A. achieved (includes GPA from 9th grade through the first marking period of the second semester of 12th grade) and the number of credit hours completed.

These honors will be limited to college prep students and to those students who have been registered for all of their course work at Covenant Christian High during the 11th and 12th grades.

G. Honor Roll

Membership on the honor roll each marking period is limited to those students whose G.P.A. for that period is 3.3 (B+) or higher.

H. **Scholastic Eligibility Rules for Co-Curricular Activities**

1. Co-curricular activities include participation in athletics, student council, or student government.
2. Students must earn a passing nine-week grade in each of their classes. They must also maintain a C average (2.0 GPA) in all classes.
3. A failing grade in any class and/or an average below C for a nine-week marking period will result in a three-week suspension.
4. After three weeks if the grades are back to the standard (2.0 GPA) and no E's, the student may be reinstated upon the teachers' assent.
5. If grades are not up to standard by the end of the three-week period, the student may be reinstated only if he/she meets standards at the end of the nine-week period.
6. Continued ineligibility at the end of the nine-week marking period will result in suspension from participation in that activity for the remainder of the school year.
7. Athletes (including 10th graders) in the fall sports must meet eligibility requirements during the final nine-weeks of the previous school year to be eligible at the beginning of the season for the fall sports. (The beginning of the fall season coincides with the first game of the season.)

I. **Student Council**

Student Council members and Student Government Representatives must adhere to the same standards of conduct expected of our student athletes and written in our athletic policies. As representatives of our student body, the choices and actions that they make must reflect on the ability to lead at the Christian school in a positive way. Student Council members who violate these rules will be removed from the Student Council for the remainder of the year. In addition, Student Council members who find themselves at places where drugs and/or alcohol are present and do not leave upon finding out what is going on will be dealt with as if they were participating.

J. **Exams**

1. Students will take semester exams in each course in which they are enrolled.
2. In the judgment of the faculty and with the approval of the Principal students may be excused from taking a semester exam.
3. At the end of the second semester, Seniors may be excused from a final exam in any course where they have maintained a grade of B+ or better.
4. Seniors whose averages are below a C- in any course must take all their exams.

K. **Student Assistants**

Certain courses are offered on a request basis as credit courses but students do not receive a final grade for these courses. Library Assistant, P.E. Assistant, Lab Assistant, Teacher Assistant, and Student Tutors will receive one-third (1/3) or one-half (1/2) credit per semester but no grade.

L. **Cooperative Education**

1. A student must apply for a co-op position no later than April 15 of his junior year.
2. Students in the 12th grade are permitted to apply for Cooperative Education.
3. Granting of school credit for on-the-job occupational training for seniors is contingent upon satisfactory performance by the student-trainee, both in school and on the job.
4. A student must be enrolled in at least four classes and be in school five class periods per day.
5. The student will receive one (1) credit per semester for completed co-op training.
6. A student must work an average of 15 hours per week at his co-op job to receive credit.
7. Students receive no grade.
8. Class time and work time may not total more than 48 hours.
9. Students must submit to the coordinator a monthly time report on or before the established dates.
10. No co-op student may hold a job in addition to his co-op job, except by permission of the coordinator.

11. In the event of an unemployment layoff, the student must inform the coordinator immediately.
12. In cases of emergency, such as illness, a student must notify the employer as soon as possible, advising him of this circumstance.
73. Unless there are extenuating circumstances approved by the coordinator, a student who is absent from school is not permitted to work at the co-op job on the day of that absence.

M. Career/Tech Center Classes (Ottawa and Kent)

Students taking classes at a Career/Tech Center will receive three (3) credits per semester for the class and must be enrolled in at least three classes per semester at Covenant.

ATHLETIC POLICIES

A. Academic Eligibility Rules for Athletes

1. Athletes must earn a passing nine-week grade in each of their classes. They must also maintain a C average (2.0 GPA) in all classes.
2. A failing grade in any class and/or an average below C (2.0 GPA) for the nine-week marking period will result in a three week suspension from participation in the practices or in any of the games.
3. After three weeks if the grades are back to the standard (2.0 GPA) and no E's, the student may be reinstated upon the teachers' assent.
4. If grades are not up to standard by the end of the three-week period, the athlete may be reinstated only if he/she meets standards at the end of the nine-week period.
5. Continued ineligibility at the end of the nine-week marking period will result in suspension from participation in that sport for the remainder of the season.
6. A second offense will also result in total dismissal from the sport.
7. Athletes (including 10th graders) in the fall sports must meet eligibility requirements during the final nine-weeks of the previous school year to be eligible at the beginning of the season for the fall sports. (The beginning of the fall season coincides with the first game of the season.)
8. Michigan High School Athletic Association eligibility rules require that an athlete must have received a minimum of 20 hours of credit in the semester prior to his participation in any given sport. This means that he must pass at least four classes.

B. Eligibility Rules Respecting Conduct and Substance Use

1. Vulgar Language and Profanity
Use of vulgar language or profanity in a practice or a game will not be tolerated.
Discipline:
 - a. A violation of this rule will result in immediate dismissal from the practice or a game.
 - b. Additional suspensions may follow if this rule is violated during a game or match and the violation is brought to the attention of the coach by game officials.
2. Possession and/or use of tobacco products, e-cigarette products, alcohol, and illegal drugs
Possession and/or use of tobacco products, e-cigarette products, alcohol, and other illegal drugs is strictly forbidden for our athletes. Athletes should be full-time abstainers. This includes the summer months and any time during the school year.
Discipline:
 - a. A violation of this rule will result in immediate and automatic suspension from athletic participation. The athlete may forfeit his/her right to an athletic award and further participation in athletics.
 - b. Discipline for the first violation of the rule will be as follows:
 - (1) Following the first violation of the rule respecting the use of tobacco and e-cigarettes, the athlete will be suspended from the sport in which he/she is participating. If the person is not participating in a sport at the time of the violation he/she will be suspended for at

least 1/3 of the games or competitive events of the first sport in which he/she will participate following the violation of the rule.

- (2) Following the first violation of the rule respecting the use of alcohol and other illegal drugs, the athlete will be suspended from the sport in which he/she is participating and the next sport in which he/she would be participating. If a person is not participating in a sport at the time of the violation he/she will be suspended from at least the next sport in which he/she will participate following the violation of the rule.
 - c. If the athlete violates these training rules a second time, at anytime during the year, the suspension period will be one (1) full year from the date of the violation.
 - d. Third-time offenders forfeit the privilege of participating in athletics at Covenant Christian High School.
 - e. Athletes in attendance at parties where alcohol and/or drugs are present must leave the premises immediately. Those who remain at a party where drugs and/or alcohol are being used illegally will be subject to the same discipline as those who are partaking.
3. Insubordination and Disrespect
Insubordination and disrespect cannot be tolerated by our coaches.
Discipline:
- a. Students who display a disrespectful attitude can expect suspension from athletic participation and will be dealt with as decisively as they would for any of the preceding offenses.

C. Responsibility of Athletes

1. First and foremost athletes must remember that at all times they carry the name Christian. It is the duty and responsibility of all Christian athletes to let their light shine and show by their behavior that they are children of God.
2. Athletes have a responsibility to the team. A team must work together, help one another, and depend on one another. When a player is suspended he has let down the rest of the team.
3. Athletes have a responsibility to the coaches. Coaches spend much time planning and working with the team and with individual members of the team. If a player is suspended, he/she has let down the coach, and much work and planning is lost.
4. Athletes are responsible to fellow students. They represent the student body both on and off the playing field. They should be a credit to them at all times.
5. Athletes represent Covenant Christian High School. The members of the board, the faculty, the parents and all other supporters of CCHS ought not be embarrassed by the behavior of the athletes.

D. Attitude and Behavior of Athletes

1. Athletes should conduct themselves in an exemplary manner. Athletes must keep in mind that both on and off the playing field they stand in the public eye as representatives of Covenant Christian High School.
2. Sportsmanlike attitude must be shown by athletes before, during, and after the game. Victories and losses should be taken graciously.
3. If another game is in progress the inactive team should watch and encourage those who are participating.
4. Team members should be neatly dressed at the games. If a pre-game uniform is issued, it should be worn at all games and kept in good condition. If no uniform is required, players are expected to wear dress clothes. Failure to dress properly will result in suspension from that game.
5. On the playing field all team members should make a special effort to conduct themselves in a sportsmanlike manner. Respect must be shown toward the coach, toward game officials, toward opposing team members and coaches, and toward spectators.
6. Players are expected to give their best performance in the game. In spite of those best efforts, mistakes are inevitable. Response to such mistakes must never take the form of visible disgust with oneself, with team members, or with the officials. Players should be a source of encouragement to

each other. Those who are unable to exercise this kind of self-control will find themselves benched immediately.

E. Attendance by Athletes at Games and Practices

1. An athlete must be in attendance at least one-half of the school day of athletic participation except when the athlete is legitimately excused from classes and when a full-day of attendance is not required of an athlete.
2. Because it is very important in team sports that all members of the team work together, athletes must attend all practices.
3. Some absences from games or practices are unavoidable. When an athlete is not able to attend a practice or game, he/she must inform the coach in advance and state the reason for this anticipated absence.
4. Unexcused absences may result in suspensions.

F. Rules for Spectator Attendance at Athletic Events

1. Students must enter and leave the building only through the designated entrance.
2. High school and Junior high students will not be permitted to re-enter the school building after having once left. Students are required to leave the premises and not return when they leave the building while the games are in progress.
3. Full price will be charged for admission until the start of the second half of the varsity game.
4. All booing (against referees, the opposing team) is strictly forbidden.
5. Confetti must not be brought into the gymnasium.
6. No radios may be taken into the school.

G. Team Bus

Whenever a team bus is used, all players, managers, cheerleaders, and coaches are expected to be on board. Spectators will not ride the team bus. Everyone on the bus is required to sit according to the instructions of the coaches. Radios and tape players are forbidden. By special permission a student may ride with his/her parents.
